Online professional PC tune-up and optimization service.

\$49⁹⁹ Only

Get an efficient computer through iYogi's computer optimization support.

Improve the speed and performance of your PC by optimizing your computer. Clean up junk files and speed up system registry. Remove unwanted programs and get help downloading latest Windows® updates. Schedule automated PC tune tasks and defragment hard drive for better performance.

iYogi's Certified Technicians can diagnose and resolve all issues related to your computer. Get instant help for software installation/un-installation, configuration of hard drives and applications, removal of junk files, and clean up registry.

Apart from this, our tech experts can also provide assistance for troubleshooting software startup errors, virus and spyware removal on your computer. iYogi's tech experts will optimize your computer for optimal speed and performance.

Avail award winning service, 24/7, for Microsoft® Windows® Vista® (all editions) and Windows® XP® (all editions).

Features

- Instant, 24/7 online access to live iYogi Certified Technicians
